

THE WHITE HOUSE
WASHINGTON

THE ASSISTANT TO THE PRESIDENT

April 6, 1956

Dear Allen:

The President asked me to send to you for your personal attention, without further distribution, the attached excerpts from a memorandum he received from Rowland Hughes. He not only deemed it worth your reading -- he hoped that you would give it serious thought.

It is going to each Cabinet Officer and to Heads of certain agencies.

Sincerely,

The Honorable Allen Welsh Dulles
Director of Central Intelligence
Agency
Washington, D. C.
